

Ginger Mattos

St. Barnabas, Mt. Shasta

I am a native of Illinois and have lived in the Mt. Shasta area since 1956. In 1985, I was confirmed at St. Barnabas Episcopal Church in Mt. Shasta, and have been an active member ever since. I am licensed as a chalice bearer, lay reader, and homilist, have served on the Mission Council several times, and have held positions of Senior Warden and Clerk. Currently, I serve as the Chair of the Endowment Committee and as the Parish Representative for the Millennium Development goals fund-raising efforts.

After retiring from the field of education, I worked for two years for Mercy Foundation North as a development officer. With the help of many people, funds were raised to build and outfit a much-needed Cancer Center at the hospital in Mt. Shasta.
